What the fuck is this thread. I'm just replying so I can say I was here but over 100 replies in two hours must be the fastest I've seen a thread grow.

Have you seen The Backyard?

bruh thats the only way to get doom 2

nope you can buy it on gog and on steam you can also buy it on ps4
xbox and switch
doom is not abandonware

That's a piracy website. You can get Doom 2 legally through Steam and GOG . Piracy links aren't allowed here. Please remove the links.
